“PASSION, EXPERIENCE, & GREAT RESULTS!”

Serving Southeastern WI (Milwaukee, Racine, Kenosha Counties)

Our PROFESSIONAL SERVICES Customized for:

ACCURATE PRICING—To get you top value for your house.

In today’s market the single most important marketing strategy is setting the right price on your property to generate serious top-dollar offers that maximize and protect your valuable equity.

MASSIVE PROSPECTING—To pro-actively find qualified buyers in the best time for you.

[Agent name] and [his/her] Team actively engage in finding buyers for your home every day. Instead of “sit-back-n-wait” marketing, [Agent]’s Team contacts to 200 to 400 new people every week looking for buyers for your home, utilizing multiple lead generation systems to locate more potential buyers for your home.

CUTTING-EDGE MARKETING—To expose your home to the greatest number of buyers fast.

Your house will be exposed to virtually all the qualified buyers through the most effective and innovative marketing means available: Multi-Region MLS, yard sign, Custom property website, Online Virtual and Video Tours, Custom Flyers, E-mail flyers to top agents and clients, Broker Open House, Multiple Open House Events, extensive syndicated internet advertising on over 12,000 key real estate websites, and more.

SKILLED NEGOTIATING—To earn the most money and best terms for you.

With every lead and every offer, you will receive professional representation from [Agent] in negotiating the best terms and price for the sale of your property, protecting your equity and serving your best interest.

SUCCESSFUL CLOSING—To make your transition and plans go smoothly.

Our professional team has the systems and trained personnel in place to handle all the details of the transaction with diligence and expertise so you can feel confident and get on with your plans.
